

# Swiss MNT Network

## WHO ARE WE?

- Switzerland has a **worldwide leading position** in micro and nano technologies.
  - The Swiss MNT Network gathers the **main Swiss actors** in the field.
- ➔ The Swiss MNT Network provides Swiss companies with worldwide leading-edge technologies for their innovations

25.10.2016	Biel/Bienne	20.11.2024	Fribourg

## MEMBERSHIP

- The Swiss MNT Network is an **association** with academic founding members

- Membership is open to industry and **companies are very welcome to join**

### As a member, you

- get easy access to leading edge technologies for research, development, prototyping and small volume production
- have direct contact to the experts
- have direct access to young and highly motivated researchers
